Table of Contents 1. Welcome to SINCOR 2. Getting Started (Days 1-2) 3. Core Features Overview 4. Your First 3 Workflows 5. Basic Integrations 6. Measuring Success 7. Troubleshooting 8. Support Resources

1. Welcome to SINCOR

You've just activated your SINCOR Starter plan with 10 pre-configured AI agents ready to work for your business.

****What You Get:**** - 10 AI agents specialized for lead generation - 5 core integrations (CRM, email, calendar, Stripe, Slack) - Email support with 24-hour response guarantee - Access to 1,000+ article knowledge base - Monthly performance reporting

2. Getting Started (Days 1-2)

Day 1: Account Setup (2 hours) - Confirm your email address - Complete your company profile - Connect your first CRM (HubSpot, Pipedrive, etc.) - Invite team members (up to 3 for Starter plan)

Day 2: Configure Your First Agent (2-3 hours) - Choose lead generation agent - Set target industry and company size - Configure lead scoring rules - Test with sample data

3. Core Features Overview

Scout Agent Your discovery specialist for finding new prospects.

Synthesizer Agent Summarizes and deconflicts information for clean data.

Builder Agent Creates simple automations and workflows.

4. Your First 3 Workflows

Workflow 1: Lead Discovery - Scout finds prospects matching your criteria - Synthesizer cleans and scores leads - Results exported to CRM daily

Workflow 2: Email Outreach - Generate personalized email sequences - Track opens and clicks - Auto-follow-up on non-responders

Workflow 3: Customer Nurturing - Identify at-risk customers - Create nurture sequences - Measure engagement

5. Basic Integrations

Starter plan includes 5 integrations: 1. **CRM Integration** - HubSpot, Pipedrive, Salesforce 2. **Email Integration** - Gmail, Outlook, custom SMTP 3. **Calendar Integration** - Google Calendar, Office 365 4. **Payment Integration** - Stripe, PayPal 5. **Slack Integration** - Notifications and updates

6. Measuring Success

Key Metrics to Track - Leads discovered per day - Lead quality score - Time to first contact - Response rate - Deal conversion rate

Dashboard Overview Your dashboard shows real-time metrics for your top 3 agents.

7. Troubleshooting

****Agent not finding leads?**** - Check industry/company size filters are set - Verify data source connections - Review lead scoring rules

****Emails going to spam?**** - Check sender reputation - Verify DKIM/SPF records - Review email templates

****Integrations not syncing?**** - Confirm API credentials are correct - Check rate limits not exceeded - Verify firewall rules

8. Support Resources

- ****Email Support:**** support@sincor.com (24-hour response) - ****Knowledge Base:**** help.sincor.com (1,000+ articles) - ****Community Forum:**** community.sincor.com - ****Video Tutorials:**** youtube.com/sincor

****Next Steps:**** Ready to go beyond Day 30? Review our Professional plan for multi-agent coordination and advanced workflows.
